

EASTER POP-UP EGG CARD

You Will Need

1. A sheet of A3 card folded in half.
2. Glue or double sided tape.
3. Scissors
4. A printer.
5. Your choice of decorating materials. (Paints, pens, crayons, stickers etc.)
6. An adult to help if necessary.

How To Make

1. Get an adult to help you cut out the templates.
2. Colour in the egg and chick.
3. Attach the chick to the front of your card.
4. Attach the bottom of the egg over the chicks body.
5. Fold the strip along the lines and attach to the back of the top part of the egg.
6. Attach the back of the strip to the card above the chicks head and close the egg to hide the chick.

Little Star Maker Tip
Curve the egg to give it a 3D effect!
