## Toilet Roll Crafts

# How To Make

1. Choose your key worker to make.
2. Choose a hairstyle and accessories ie. mask, glasses etc.
3. Cut along the solid black lines, (get a grown up to help).

### The Fun Bit

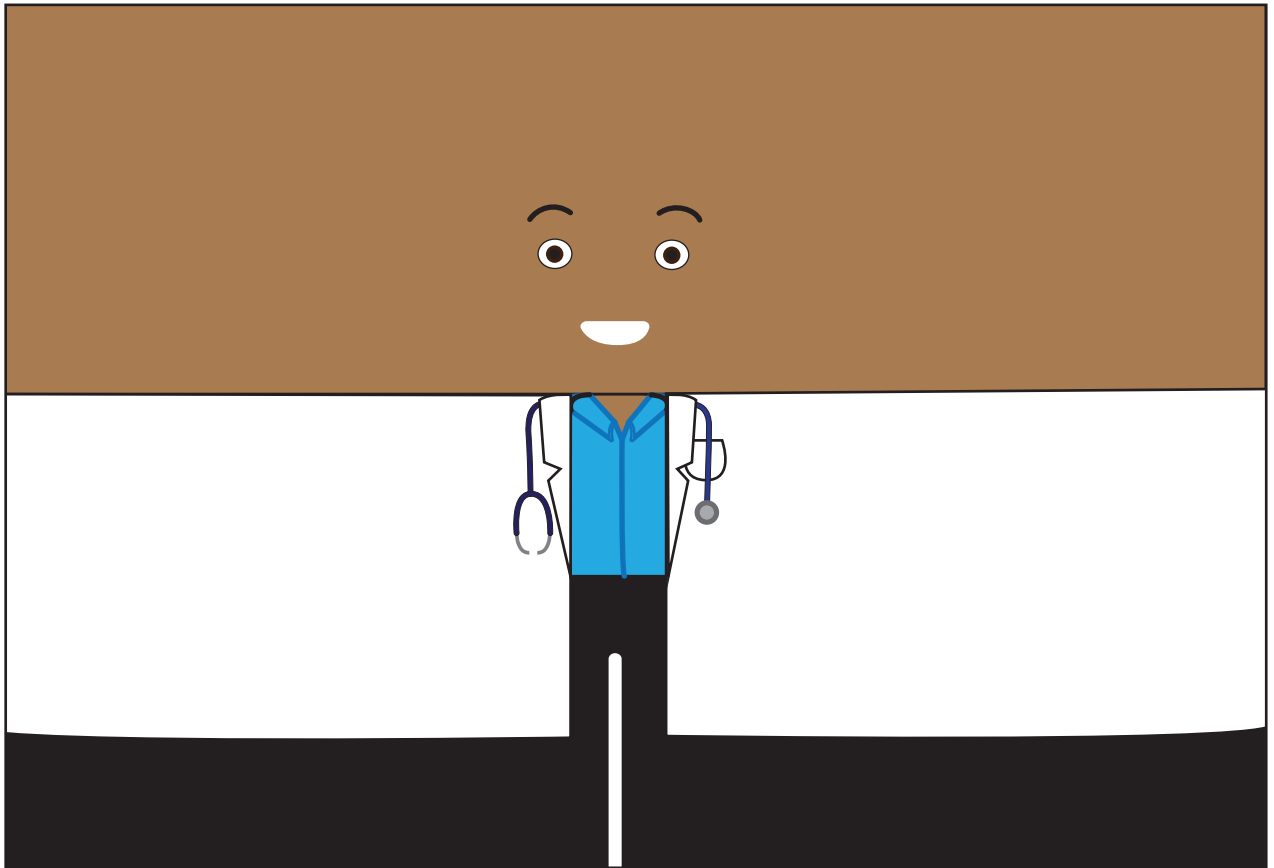

4. Decorate your key worker. Paint, colour, stick or glitter your very own hero any way you want.
5. Grab your empty toilet rolls and wrap the body around the tube and attach with sticky tape at the back. Then carefully glue the arms in place and add on the hair and accessories.

### Ready To Display

Don't forget to put your Heros in your window under the rainbow.
